

All Washington Youth Soccer volunteers must register online to complete a national background check clearance. If you have participated in Founders Cup, Challenge Cup or Championships in the past 2 years, you probably already have an account. If you remember your username and password, you can continue to the link below to complete this registration process. If you do not know your username or password, please click the "Forgot Password" link and input your Email address and last name to have an email sent to you:

1 of 3 Authorization for National Background Check

I (applicant and, if applicant is a minor, parent/guardian) understand that:

a. Washington State Youth Soccer Association may deny a clearance to any person who has been convicted of a felony, crime of violence or a crime against a person.

b. In applying to Washington State Youth Soccer Association (WSYSA), the information I have furnished on this form is subject to verification, which will include a criminal history check.

c. This is a recurring verification process and by submitting this application, that I (the applicant and parent/guardian) authorize Washington State Youth Soccer Association (WSYSA) to continue the verification process until I (the applicant and parent/guardian) revoke this authorization in writing.

d. By signing this application, I (the applicant and parent/guardian) assume the responsibility of notifying Washington State Youth Soccer Association (WSYSA) of any change to the information contained within this application.

2 of 3 Concussion Information Sheet

Concussion Information Sheet

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, **all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.** In other words, even a "ding" or a bump on the head can be serious. You can't see a concussion and most sports concussions occur without loss of

3 of 3 Sudden Cardiac Arrest Awareness Form

Sudden Cardiac Arrest Awareness Form

What is sudden cardiac arrest? Sudden Cardiac Arrest (SCA) is the sudden onset of an abnormal and lethal heart rhythm, causing the heart to stop beating and the individual to collapse. SCA is the leading cause of death in the U.S. afflicting over 300,000 individuals per year.

SCA is also the leading cause of sudden death in young athletes during sports.

What causes sudden cardiac arrest? SCA in young athletes is usually caused by a structural or electrical disorder of the heart. Many of these conditions are inherited (genetic) and can develop as an adolescent or young adult. SCA is more likely during exercise or physical activity, placing student-athletes with undiagnosed heart conditions at greater risk. SCA also can occur from a direct blow to the chest by a firm projectile (baseball, softball, lacrosse ball, or hockey puck) or by chest contact from another player (called "commoc card").

I Accept

While a heart condition may have no external signs, some young athletes may have symptoms but neglect to tell an adult. If any of the
